Weep-Net™

Description

Weep-Net™ is a free draining mesh material that will not degrade in the cavity wall and is made of polymer strands. Weep-Net™ keeps weep vents clear of mortar droppings and construction debris.

Description & Benefits:

- Dovetailed design
 - Keeps mortar from blocking water flow to the weep vents
 - Provides structural strength to hold up under normal mortar load.
- Promotes air flow
- No wasteful cardboard boxes
- Environmentally friendly
- No compatibility issues with cavity wall
